LABOR ADVISORY NO. 06
Series of 2023

Belle
DOLE-AS 16MAR'23 17:00

Pursuant to Article 5 of the Labor Code of the Philippines, as amended, and pursuant to the policy intent of decentralizing the evaluation and approval of the Construction Safety and Health Program to provide quality service to our clientele, all DOLE Field and Provincial Director or Heads are hereby directed to facilitate the evaluation, processing, and concurrence of Construction Safety and Health Program of the projects of the Department of Public Works and Highways and other government agencies.

For private construction projects, pursuant to Section 12 of the Department Order No. 198, Series of 2018, and Joint Memorandum Circular No. 2018-01 issued by the Department of Public Works and Highways, Department of Trade and Industry, Department of Interior and Local Government, and Department of Information and Communication Technology, Construction Safety and Health Program shall be submitted prior to the commencement of any construction-related activities to the DOLE Field and Provincial Offices having jurisdiction over the location of the project.

The submission, evaluation, processing, and concurrence of the Construction Safety and Health Program are free and no cost shall be charged to the applicant principal and contractor or subcontractor.

Be guided accordingly.
