**Suspension of Inspection Activities**

In the interest of the service and in connection with the preparation of the Labor Inspection Program Plan for CY 2025 and completion of other related activities, inspection activities are hereby suspended effective **30 November 2024**, except the following activities:

1. Inspections arising from complaints;
2. Occupational Safety and Health (OSH) Investigations;
3. Technical Safety Inspections (e.g., inspection of boilers, pressure vessels, mechanical and electrical wiring installation);
4. Technical and Advisory Visits;
5. Monitoring of construction projects; and
6. Any other inspection activities as directed by the Secretary of Labor and Employment.

All activities relative to the above-stated shall be conducted in accordance with Department Order No. 238, Series of 2023.

Labor inspectors duly authorized under the General Authority and issued specific Authority to Inspect may still conduct enforcement activities except those suspended.

Be guided accordingly.
